

Going out tonight? So are we.

We are conducting Checkpoint Strikeforce.
Look for sobriety checkpoints statewide, every week.

Blood Alcohol Limit in Delaware = **.08**
(one more drink could be one too many)

Underage Drivers: **Zero Tolerance**
(any amount of alcohol and you will be arrested)

If you think this DUI checkpoint or traffic stop is a hassle, think about what a DUI would cost:

- **An average of \$3,150 in fines, court costs and attorney fees**
- **Driver's license revoked for 3 months or more**
- **8 weeks of mandatory DUI treatment classes with drug testing (another \$300–\$700)**
- **A criminal record**
- **The inconvenience and embarrassment of explaining why you can't drive**
- **Ignition Interlock Program—a minimum of \$480**
- **Insurance premiums at triple your normal rate**
- **A lifetime of guilt if you cause a fatal crash**

Is it worth it?
